**Module 6: Facilitating Globally
Connected Projects Through
Student Project Management Part 2**

Activity Guide

Funded through the generous support of

Before moving to the next module, complete these activities:

1. Read the Teacher Guides in the [PMIEF Toolkit for Teachers](#) for both the Executing and Closing phases and review the PPT slide decks. You can download the PMIEF Toolkit for Teachers by following these steps:
 - Create a free account with PMIEF to access the Teacher Toolkit materials using the link on the top of the page.
 - Select the PM Terminology version of the Toolkit for download.
 - Agree to the terms and conditions.
 - Download the full Toolkit, which includes five downloadable folders: Preface, Initiating, Planning, Executing, and Closing. Each folder has four components - Teacher Guide, Student Project Plan, Slide Deck, and an Appendix with additional resources and activities.
 - The Preface folder contains an introduction to the toolkit, background information on project management, and assessment tools.
2. Complete the Executing and Closing sections of the Calendar of Major Learning Activities in your Project Planning Template.
3. Add the materials, resources, and constraints to your Project Planning Template.
4. Develop appropriate supports and modifications in your Project Planning Template.
5. Be sure to check the Asia Society Global CTE [Toolkit](#) for free tools and resources.

If you are interested in further developing your project management skills, Digital Promise and PMIEF offer micro credentials. Click [here](#) for information.

When you have completed these activities, you will be ready for "Module 7: Deep Dive into Global Competency and Respecting Diversity."
