Module 7: Global Competence and Respecting Diversity

Activity Guide

Funded through the generous support of

Before moving on to the next module, complete these activities:

1. Complete the Observing Diversity in Your Classroom Reflection Activity in the [OECD Toolkit on Teaching for Diversity](#).
2. Review the activity options in the [Diversity Discussion Starters](#) resource and select one to use in your class within the next week. Complete the reflection form on the experience.
3. Read and reflect on two Ed Week blogs, [Harnessing Student Diversity](#) and [Encouraging Respectful Conversations](#).
4. Be sure to check the Asia Society Global CTE [Toolkit](#) for free tools and resources. Links to the items discussed in this module are included in the [Diversity](#) section of the toolkit.
5. Review the calendar of activities in the project planning template and identify three to five different ways you can enrich student understanding of diversity.

When you have completed these activities, you will be ready other modules in the series, such as "Module 8: Enhancing Instruction with Global Collaborative Projects."
